

**Onur ÇAĞLAR**

*Director of Statistics and Information Department, SESRIC*

Onur Çağlar is the Director of the Statistics and Information Department at the Statistical, Economic, and Social Research and Training Centre for Islamic Countries (SESRIC), a subsidiary organ of the Organisation of Islamic Cooperation (OIC). He leads initiatives to strengthen statistical capacity across OIC Member Countries. With over 10 years of experience at SESRIC, Onur has successfully overseen numerous international collaborations and technical cooperation programs in the fields of statistics, capacity building, and training.

Before joining SESRIC, Onur worked in the Turkish public sector, where he focused on investment promotion and socio-economic development strategies. He holds an MBA, a Master's degree in Economics, and a Bachelor's degree in Statistics. He is highly experienced in data analysis, technical cooperation, and project management. Onur has also moderated high-level panels and discussions, leading events on the critical role of data in policymaking and sustainable development.
