Ms. Mashael Ali Yousef Al Hammadi

Al Hammadi act as assistant undersecretary of government information technology affairs at the Ministry of Communications and Information Technology. Through her dedicated 20 years of hard work in the information technology (IT) and e-government sectors, **Al Hammadi** was distinguished with a high level of knowledge of IT strategies, business models, local culture, latest technical trends, and change in the organizational structure.

Al Hammadi graduated from Qatar Leadership Centre (QLC) Program in 2015, and HEC-CTO Program in 2019. She has an MA in Executive Business Administration and a BA in Computer Science from the Arab Academy for Science, Technology and Maritime Transport, and she is currently studying for her PhD on the Impact of the Use of IT in Digital Government (Qatar as a Case).

During her career, she held various leadership positions in IT departments across different government agencies, including the Ministry of Labor and the Ministry of Commerce and Industry, and accomplished several strategic projects in the country.

Al Hammadi has also been an active board member of Qatar National Broadband Network (Qnbn), in addition to taking part in several high-profile committees, such as the e-Government Steering Committee. She is also a member of other internal ministry-level committees.
